Profile Summary

MCA graduate with hands-on experience in developing responsive and scalable web applications using React.js, Next.js, Vue.js, JavaScript, and Node.js. Passionate about building intuitive user interfaces, integrating REST APIs, and delivering high-quality frontend solutions through real-world projects and internship experience.

Technical Skills

Frontend: React.js, Next.js, Vue.js, HTML5, CSS3, Tailwind CSS, Bootstrap

Languages: JavaScript (ES6+), TypeScript, Java, Python, SQL

Backend: Node.js, Express.js, Nest.js, Flask, REST APIs

Databases: MongoDB, MySQL, SQLite

Tools: Git, GitHub, VS Code, Vercel, Postman, Cursor

Concepts: REST APIs, JWT Authentication, Responsive Web Design, API Integration, OOP, Data Structures, Agile

Experience

Full Stack Developer Intern Feb 2026 – Aug 2026

Daylink Tech Labs Pvt Ltd, Belgaum

Developed responsive user interfaces for **Edeal India**, a full-scale e-commerce platform using Next.js, Nest.js, MongoDB, and Tailwind CSS during my internship at Daylink Tech Labs. Contributed to the User, Vendor, and Admin modules, integrated REST APIs, optimized application responsiveness, resolved UI issues, and collaborated with the development team using Git.

Java Full Stack Trainee Oct 2023 – Apr 2024

Tap Academy, Bengaluru

Completed intensive training in Java Full Stack Development covering Java, JDBC, SQL, Servlets, HTML, CSS, JavaScript, and database integration. Built full-stack web applications following MVC architecture and strengthened problem-solving, debugging, and software development fundamentals.

Projects

Beauty Salon Management Platform Next.js, Tailwind CSS

Built a responsive beauty salon management platform using **Next.js**, React, and Tailwind CSS. Designed modern user interfaces, implemented online appointment booking, QR-based customer feedback, and optimized the application for seamless user experience across multiple devices.

Role-Based Attendance Management System React.js, Flask, SQLite

Developed a role-based attendance management system using React.js, Flask, and SQLite with dedicated dashboards for administrators, teachers, and students. Implemented authentication, attendance tracking, CRUD operations, and report generation while ensuring a responsive and user-friendly interface.

Education

Master of Computer Applications (MCA) 2024 – 2026

Kristu Jayanti Deemed to be University, Bengaluru CGPA: 8.02/10

Bachelor of Computer Applications (BCA) 2021 – 2024

Doddappa Appa College of BCA, Basavakalyan CGPA: 7.40/10

Certifications

Java Full Stack Development (Tap Academy) • **Introduction to Agentic Automation** (UiPath) • **Java Programming Fundamentals** (Infosys Springboard) • **Introduction to Artificial Intelligence** (Infosys Springboard)

Languages

English, Hindi, Kannada, Telugu
